Cookie Policy for iAdvertiz

Last Updated: March 12, 2025

At iAdvertise, we value your privacy and are committed to being transparent about how we use cookies on our platform. This Cookie Policy explains what cookies are, how we use them, your choices regarding cookies, and further information about cookies.

What are Cookies?

Cookies are small text files that are stored on your device (computer, smartphone, or tablet) when you visit a website. They allow the website to recognize your device and store information about your preferences or past actions.

How iAdvertise Uses Cookies

We use cookies to enhance your experience on our platform and to provide a variety of services, including:

1. Essential Cookies:
   - These cookies are necessary for the operation of our website. They enable you to navigate our site and use its features, such as accessing secure areas.

2. Performance Cookies:
   - We use these cookies to collect information about how visitors use our website. This helps us understand which pages are most popular, how visitors navigate the site, and any issues they encounter. This information is used to improve our website's performance.

3. Functionality Cookies:
   - These cookies allow our website to remember choices you make (such as your username or language) and provide enhanced features. They may also provide services you have requested, such as viewing a video.

4. Targeting/Advertising Cookies:
   - We may use these cookies to deliver advertisements more relevant to you and your interests. They are also used to limit the number of times you see an advertisement and help measure the effectiveness of advertising campaigns.

Third-Party Cookies

iAdvertise may also use third-party cookies from our partners. These cookies are used to deliver relevant advertisements, analyze website traffic, and improve services. We do not control these third-party cookies, and they are subject to the respective privacy policies of these third parties.

Your Choices Regarding Cookies

You have the right to accept or reject cookies. You can manage your cookie preferences in your browser settings. Most web browsers provide options to refuse or accept cookies. You can also delete cookies that have already been set.

To manage cookies in your browser:
  - Google Chrome: Settings > Privacy and Security > Cookies and other site data
  - Mozilla Firefox: Options > Privacy & Security > Cookies and Site Data
  - Safari: Preferences > Privacy > Cookies and website data
  - Microsoft Edge: Settings > Cookies and site permissions > Manage and delete cookies and site data

Changes to This Cookie Policy

We may update this Cookie Policy from time to time to reflect changes in our practices or for other operational, legal, or regulatory reasons. We encourage you to review this policy periodically for the latest information on our cookie practices.

Contact Us
