

# Security Tips for Users of Goadvert iAdvertise

At **Goadvert iAdvertise (www.iadvertiz.com)**, we prioritize your safety and security when interacting with businesses, advertisers, and publishers on our platform. To help you stay protected, follow these essential security tips:

## 1. Verify Businesses Before Engaging

- **Check Reviews & Ratings:** Look for feedback from other users about the business.
- **Research the Company:** Search for their official website, contact details, and social media presence.
- **Avoid Unrealistic Offers:** If a deal seems too good to be true, it might be a scam.

## 2. Protect Your Personal & Financial Information

- **Never Share Sensitive Data:** Avoid giving out passwords, credit card details, or personal identification (e.g., ID, SSN) unless absolutely necessary.
- **Use Secure Payment Methods:** Prefer trusted payment gateways (e.g., PayPal, Stripe) over direct bank transfers to unknown parties.
- **Look for HTTPS:** Ensure the website you're visiting has "https://" (secure connection) before entering payment details.

## 3. Beware of Phishing & Scams

- **Don't Click Suspicious Links:** Avoid emails or ads claiming urgent action (e.g., "Your account is suspended! Click here.").
- **Check Email Senders:** Scammers may impersonate Goadvert iAdvertise—always verify the sender's email address.
- **Enable Two-Factor Authentication (2FA):** If available, use 2FA for an extra layer of security.

## 4. Use Strong Account Security Practices

- **Create a Unique Password:** Avoid reusing passwords across different platforms.
- **Log Out After Sessions:** Especially when using public or shared devices.
- **Monitor Account Activity:** Report any unauthorized access immediately.

## 5. Report Suspicious Activity

**If you encounter:**

- Fraudulent businesses
- Fake ads or scams
- Phishing attempts
- Unauthorized transactions

**Contact us immediately at:** [support@iadvertiz.com]

## 6. Additional Safety Measures

- **Use a VPN for Privacy:** Especially when accessing the platform on public Wi-Fi.
- **Keep Software Updated:** Ensure your browser, antivirus, and OS are up to date.
- **Read Terms & Conditions:** Understand the policies of businesses you interact with.

## Why Security Matters on Goadvert iAdvertise?

We strive to maintain a safe marketplace, but users must also take precautions. While we monitor and verify businesses, **always exercise caution** when sharing information or making transactions.
